

Sale Name: Gigantic Tool & Shop Equipment Auction

LOT 76 - 2 Traditional 2-Man Crosscut Saws Plain Tooth (Also Known As Felling Saws) Approx.: 7 in. x 72 in. and 5 1/2 in. x 60 in.

Description

Two-Man Crosscut Saw Plain Tooth Used mostly in forestry work and the crosscutting of large logs, this two-man saw is also a great alternative to chain saws. The Plain tooth pattern cuts on the pull stroke on each side of the tooth, thereby cutting in each direction. Includes two finished handles.

Quantity: 1
